Re: Public Information Request Received October 2, 2018, from Lucas Larson (PIR# C010907)

Dear Attorney General Paxton,

The City of Austin (the "City") received the above-referenced public information request. The City has made a good-faith effort to relate the request to information in its custody. The City will comply with previous ruled issued by your office to the extent the information is identical to the information subject to those rulings. *See, e.g.*, Open Records Letter Ruling No. 2018-19804 (PIR# 42178). The City takes no position on the public availability of the remainder of the information. However, the information implicates the proprietary interests of one or more third parties. Accordingly, the City notified each third party as provided by section 552.305 of the Government Code, so that each may submit to your office reasons why it considers the submitted information to be excepted from release. Copies of the request for information, the third party notice(s), and the information at issue are enclosed for your review. By copy of this letter the City is notifying the requestor that it has asked for a decision from the Office of the Attorney General.

If you have any questions concerning this matter, you may contact me at (512) 974-2154.

Sincerely,

  
Neal Falgoust  
Assistant City Attorney
